TERVETULOA! VÄLKOMMEN! WELCOME! BIENVENUE! BEM-VINDO!

# WELCOME TO HELSINKI CUP 2023!

Previous Helsinki Cup summers have shown how big meaning football and recreational activities have in the lives of children and young people. We are really excited that the Helsinki Cup tournament could be organized again normally and as an international tournament this summer. The excitement was also visible among the football people, because this year the Helsinki Cup of all times was truly played: a historic 1,610 teams participated, which means there were almost 250 more teams than in the 2019 tournament, which until this summer had been the richest annual edition in Helsinki Cup's history measured by the number of teams. The records in one of the biggest junior football tournaments were also broken this year in the number of participants for both the boy's and girl's teams.

The tradition of the Helsinki Cup will continue again next summer for the 48th consecutive year. The role of the tournament, that has been played since 1976, as promoter of children's and young people's well-being and community has been preserved through the decades. And even though the tournament grows and develops every year, we'll always stay true to our values: Helsinki Cup is tolerant, equal, international and respectful to all its participants.

For the summer of 2023, we will once again welcome more than 23,000 players and 1,600 teams from all over Finland and abroad, to whom we can offer the joy of sports in a first-class framework. About 80 teams from 11 different countries abroad are participating this year, and internationality has always been the salt of Helsinki Cup. I am also really pleased about the increasing popularity of girl's football in the tournament - in the summer of 2022, more than 250 girls' teams will participate in the tournament, and we believe the numbers will continue to grow.

We work closely with the city of Helsinki, who is to thank for that Helsinki Cup is always played on high-quality and well-maintained fields. The tournament has 20 field areas around the city, all easily accessible by public transport from the center of Helsinki.

Helsinki Cup is a communal city event that conveys the joy of exercising and doing things together all over Helsinki. For making all of this possible, we'd like to thank not only the city of Helsinki and our valuable partners but also every player, parent, coach and team manager. Words are not enough to describe the gratitude I feel for your trust and support. Thank you from the bottom of my heart.

A warm welcome to Helsinki,

**Kirsi Kavanne**  
CEO, Helsinki Cup
