

Deposit app instructions for Tournament Passes

The tournament passes serve as the participant's digital payment method during the event. The tournament passes are a safe alternative to cash and traditional payment cards.

Loading funds onto the tournament passes is easy and the funds are not wasted, even if not all of it is used or the tournament passes are lost.

The tournament passes serve as the participant's digital method during the event.

The tournament passes are a safe alternative to cash and traditional payment cards. It's easy to load funds onto the tournament passes, and the money won't be lost even if you don't use all of it or if the tournament passes are lost. This guide will help you create a new account, verify your contact information and link your payment information.

Connecting tournament pass to the account: Next step is to connect the identifier (tournament pass) to the customer account. This can be done by clicking “+ CONNECT NEW”.

The screenshot displays a user account interface. On the left is a sidebar with the following menu items: ACCOUNT (selected), CUSTOMER, SELECT CUSTOMER, IDENTIFIER, CONNECT PHONE, and Logout. The main content area is divided into several sections:

- Funds:** A dark blue box showing a balance of 0,00€ available in events.
- Quick deposit:** A white box with a pink plus icon and the text "Quick deposit". It features four input fields for 5 €, 10 €, 20 €, and 50 €, and a pink button labeled "+ ADD FUNDS".
- Identifiers:** A white box with a pink plus icon and the text "Identifiers". It contains a section for "NFC Tag Id" with a "Pin:" field and a trash icon. A green button labeled "+ CONNECT NEW" is located in the top right corner of this section.
- Transactions:** A white box with a pink plus icon and the text "Transactions".

Fill in your tournament pass PIN code and click **CONNECT.**

Adding funds to the account: Once the identifier is added to the account, the account is ready for the deposit.

The screenshot displays a mobile application interface for account management. On the left is a vertical navigation menu with the following items: ACCOUNT (with a home icon), CUSTOMER (with a pencil icon), SELECT CUSTOMER (with a list icon), IDENTIFIER (with a QR code icon), CONNECT PHONE (with a phone icon), and Logout (with a red arrow icon). The main content area is divided into three sections. The top section, titled 'Funds', shows a balance of '0,00€' with the text 'Available in events' below it. To the right of this is a 'Quick deposit' section featuring four buttons for 5 €, 10 €, 20 €, and 50 €, and a prominent yellow circular button labeled '+ ADD FUNDS' overlaid on a pink bar. The middle section, titled 'Identifiers', contains a list item for 'NFC Tag Id' with a 'Pin:' label and a trash icon, and a green '+ CONNECT NEW' button in the top right corner. The bottom section is titled 'Transactions' and is currently empty.

If you have multiple accounts linked to the mobilephone number, you can see and switch the accounts by clicking "SELECT CUSTOMER" -page.

The screenshot displays a mobile application interface with a dark blue sidebar on the left and a main content area on the right. The sidebar contains the following items from top to bottom: a home icon labeled 'ACCOUNT', a yellow circle highlighting a pencil icon labeled 'CUSTOMER', a list icon labeled 'SELECT CUSTOMER', a QR code icon labeled 'IDENTIFIER', a phone icon labeled 'CONNECT PHONE', and a red arrow icon labeled 'Logout'. The main content area is divided into several sections: a dark blue 'Funds' card showing '0,00€' and 'Available in events'; a 'Quick deposit' section with buttons for 5 €, 10 €, 20 €, and 50 €, and a pink '+ ADD FUNDS' button; an 'Identifiers' section with a '+ IDENTIFIERS' icon, a list item for 'NFC Tag Id' with a 'Pin:' label and a trash icon, and a '+ CONNECT NEW' button; and a 'Transactions' section with a '+ TRANSACTIONS' icon.
